

# WORLD NEWS 1M, 1B, AND 1T SECONDS AGO

## 1 Million Seconds Ago (12 Days)

It was Flag Day, and both the market, and world news today is the same as 1 million seconds ago.

## 1 Billion Seconds Ago (32 years)

Bruce Willis became an overnight star with his debut as action hero John McClane in the Christmas classic "Die Hard"

## 1 Trillion Seconds Ago (32,000 years)

It's the Upper Paleolithic period, and humans are still 2,000 years away from creating their first cave paintings.
